Paper Chain STEM Challenge

Which strip width makes the longest chain from one sheet?

Group: _____ Date: _____

Keep the paper, strip length, overlap, time, and tape allowance the same.
Use a fresh sheet and change only strip width in round two.

Prediction

Round	Strip width	Number of links	Chain length and unit
1			
2			

Which width made the longer chain? By how much?

What would you change for a third round?
